

Welcome to EEP 118 Section! This document lays out details related to sections and GSIs for this class.

Section details

- We will be holding in-person sections each week. Sections will not be recorded, but we will post the notes before each section and share solutions afterwards.
- Sections are 50-minute long and begin promptly 10 minutes after the hour stated on the schedule.
- Attendance is not mandatory, but it is *strongly* recommended. Please try to attend the sections at the *time* you signed up for. It's fine to swap here and there.
- If you find that you are not getting as much out of the section as you feel that you should, feel free to offer suggestions that improve the learning environment (in an email or EdDiscussion post, or during office hours).
